

The Interactive Metronome (IM) is an evidenced-based treatment program that improves planning and sequencing and encourages neuroplasticity.

Today, there are more than 7,500 certified providers in over 3,000 hospitals and clinics in the US and Internationally to help patients with neurological & motor deficits.

Clinical trials show IM improves:

- **Attention & Concentration**
- **Planning and Organizing**
- **Balance & Coordination**
- **Motor Control**
- **Language Processing**

Earn 8.0 Contact Hours while Becoming Interactive Metronome Certified (IMC) in this one-day course being held at a location near you!

Date: April 10, 2010
Time: 7:15am-5:15pm

Interactive Metronome is approved by the Continuing Education board of ASHA to provide continuing education activities in speech-language pathology and audiology. This program is offered for 0.8 CEUs (Introductory Level; Professional area). ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

Interactive Metronome is approved by the Continuing Education board of AOTA to provide continuing education activities in occupational therapy. This program is offered for 0.8 CEUs (Introductory Level; Professional area). The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA.

Interactive Metronome, Inc. is recognized by the Board of Certification, Inc. to offer continuing education (CE) for Certified Athletic Trainers (ATs). This program has been approved for a maximum of 8.0 CEUs. ATs are responsible for claiming only those hours actually spent participating in the CE activity.

*PTs & PTAs may submit paperwork to your state board for CEUs
